This contract is only valid when **you** have a valid Validation Certificate and have paid the appropriate premium.

It is very important that **you** carefully read the terms, conditions, and exclusions of this insurance to ensure that **you** are properly covered for **your** planned trip.

Please check the details of **your** Validation Certificate and send any general enquiries by email to insurance@truetraveller.com or phone **020 3822 0200** (within UK) or **+44 20 3822 0200** (from overseas).

Note Section A (Medical & Repatriation Expenses), Section B (Cash in Hospital) and Section K (iii) (Passport/Visa Expenses) shall be inoperable when travelling within **your Country of Residence**.

One Way travel is not available on Multi-Trip policies. **You** cannot take out Multi-Trip cover if **you** have already left **your Country of Residence**.

2. Trips that include paid manual work when **you** take out an Adventure Pack if **you** have paid the appropriate additional premium.

3. Trips within the Geographical Region as shown on **your** Validation Certificate.

You must observe travel advice provided by the UK Foreign, Commonwealth & Development Office (FCDO). No cover is provided under any section of this policy if **you** choose to travel to a destination to which the FCDO has advised against all or all but essential travel unless **we** agree in writing to include. Travel advice can be obtained from the FCDO. Website: www.gov.uk/foreign-travel-advice

4. Participating in Sports and Activities as detailed in Section M under the Traveller Pack

5. Participating in Sports and Activities as detailed in Section M when **you** have selected the Adventure, Extreme or Ultimate Pack and paid the appropriate additional premium. **You** are not covered for **hazardous activities**, other than as specified, unless **we** agree in writing to include them and it is shown on **your** Validation Certificate.

Policy Excess

This policy has an excess as shown on the Summary of Cover which will be deducted in the event of a claim under certain sections. The excess is applicable per person, per policy section, to a maximum of two excesses being charged per insured incident, and can be summarised as follows:

Medical and Repatriation Expenses; Personal Liability; Legal Expenses	£125/£75/£35
Cash in Hospital, Accidental Disability, Delayed Baggage, Travel Delay, Avalanche Closure, Cancellation Loss of Deposit	No Excess Applicable
Nepal Air Ambulance/Helicopter Services	£750

NOTE: An excess waiver may apply to this policy if **you** have paid the appropriate premium and it is shown on the Validation Certificate. A higher excess of £750 applies in respect of medical emergency repatriation by air ambulance or helicopter services being required within Nepal. (This increased policy excess will not be waived if the excess waiver option has been purchased and is shown on **your** Validation Certificate)

If **your** return **home** is unavoidably delayed for an insured reason, cover will be extended free of charge for up to 31 consecutive days as a maximum from the expiry date listed on **your** Validation Certificate without an additional premium being charged.

If **you** are **hijacked**, cover shall continue whilst **you** are subject to the control of the person(s) or their associates making the **hijack** during the period of insurance for a period not exceeding twelve months from the date of the **hijack**.

When cover starts and ends

Single Trip Policies. Cover under Section D – Cancellation starts from the date of issue stated on **your** Validation Certificate and ends when **you** leave **your home** to commence travel. Cancellation cover shall only apply for a period of up to 12 months prior to the trip departure date stated on **your** Validation Certificate.

Cover under all other sections of the policy starts when **you** leave **your home** to commence **your** trip. All cover ends on **your** return **home**, within 24-hours of **your** return to **your Country of Residence**, at the expiry of the Period of Insurance, or upon taking up permanent residency in a country other than **your Country of Residence**, whichever occurs first.

If **you** want to return **home** during **your** trip for any reason that does not give rise to a claim under this policy (except if **you** are claiming under Section O Travel Resumption), and **you** then wish to recommence **your** trip, **you** can do so at **your** expense (unless claiming under Section O Travel Resumption) under the same policy before the end date shown on **your** Validation Certificate. If **you** return **home** early, this does not change the end date or duration of **your** policy. Cover ceases for **your** visit until **you** resume **your** trip overseas. **You** are not covered for any incidents or treatment while in **your Country of Residence**.

If **you** end **your** trip early for any reason, there is no refund for any unused part of **your** policy.

If **you** have a successful claim under Section D – Cancellation, coverage ends immediately.

Buying after you have left home

If cover has been taken out after **you** have left **home** to commence **your** trip, there is a waiting period of 48 hours before the insurance takes full effect. During this 48-hour period, cover under Section A is limited to serious injury caused in an accident that can be verified by an **Independent Witness**. Cover excludes any illness or minor injury existing or occurring during this time and will therefore be considered a pre-existing **medical condition**. Cover for Section K is also excluded during this period. The policy endorsement “Already Traveling” must be shown on **your** validation certificate.

NOTE: If **you** buy this policy after **you** have left **your Country of Residence**, there is no cover provided for Cancellation (Section D) of **your** trip

Multi-Trip Policies. For True Value and Traveller Policies, the maximum duration of any one trip shall not exceed 30 days. For Traveller Plus Policies, the maximum duration of any one trip shall not exceed 70 days. For any trip known to be exceeding the maximum duration, the entire period of travel including the first 70/30 days will not be insured.

Cover may be granted for **Winter Sports** up to a total of 30 days in all during the period of this insurance subject to the appropriate additional premium having been paid and shown on **your** Validation Certificate.

Cover under Section D – Cancellation starts from either the date of issue shown on **your** Validation Certificate, or the booking date of each individual trip to which this insurance relates, whichever is later.

Cover under all other sections of the policy starts from start date shown on **your** Validation Certificate, or the time **you** leave **your home** to commence **your** trip on the departure date of each individual trip to which this insurance relates, whichever is the latter. Cover for each trip ends on **your** return **home** or within 24-hours of **your** return to **your Country of Residence**, whichever is first. All cover under the Policy ends on the expiry of the Period of Insurance as shown on **your** Validation Certificate.

Cancellation Rights: Your cooling off period

If **your** cover does not meet **your** requirements, please notify True Traveller in writing within 14 days of receiving **your** policy for a refund of **your** premium. Any premium already paid will be refunded to **you** providing **you** have not travelled, no claim has been made or is intended to be made and no incident likely to give rise to a claim has occurred, less any fees and charges. Please note that **your** cancellation rights are no longer valid after this initial 14-day period, however discretion may be exercised in exceptional circumstances such as bereavement or a change to the policy resulting in **us** declining to cover **your medical conditions**.

If **you** have taken out this policy after **you** have left **your Country of Residence**, the 14-day cooling off period does not apply.

Disclosure of Facts

There is certain information that **we** need to know as it may affect the terms of the insurance cover **we** offer **you**. **You** must, to the best of **your** knowledge, have given accurate answers to the questions **you** have been asked when buying this policy. If **you** have not answered the questions truthfully it could result in **your** policy

being invalid and that could leave **you** with no right to make a claim.

If **you** think that any of **your** answers might be incorrect, or if **you** need any help, please contact True Traveller as soon as possible and **we** will be able to confirm if **we** are still able to offer **you** cover under this policy.

Medical Conditions

This insurance contains restrictions regarding pre-existing **medical conditions** in respect of the people travelling and of other people upon whose health the trip depends.

You are advised to read the Health Declaration contained in this policy. If **you** are in any doubt as to whether a **medical condition** is covered, **you** must contact The True Traveller on **+44 20 3822 0200** (from overseas) or **020 3822 0200** (within UK).

We will not cover medical problems referred to in the Health Declaration unless this was declared to **us** and accepted by **us** in writing.

HEALTH DECLARATION

This True Traveller Policy contains health restrictions, which **you** must read in order to comply with the terms of this policy. If **you** do not comply, **we** may cancel the policy, decline a claim or reduce the amount of any claim payment.

Exclusions

If, at the time of taking out this policy, or when booking a trip, any of the following apply to **you**, this policy will not cover any related claim against Section A – Medical and Repatriation Expenses, Section D – Cancellation and Section E – Curtailment.

1. **You** are travelling against the advice of a **medical practitioner** (or would be travelling against the advice of a **medical practitioner** had **you** sought his/her advice).
2. **You** are travelling to get medical treatment, tests or consultations abroad.
3. **You** have been diagnosed as having a terminal illness.
4. **You** are receiving or waiting for medical tests or treatment for any **medical condition** or set of symptoms which have not been diagnosed.

Medical Questions

You must advise **us** to the best of **your** knowledge if any of the following apply to **you**. If **you** say 'YES' to any of the following questions, **you** must complete the online medical screening as part of **your** online purchase.

1. **You** have, in the last two years, suffered from any medical or psychological conditions and for which **you** have received treatment, been prescribed medication, or attended any consultations, investigations, or check-ups.
2. **You** have ever suffered from or received treatment, investigations or test for heart attack, angina, chest pain, any other heart condition, any form of stroke, mini-stroke or brain haemorrhage.

Failure to declare any **medical conditions** could leave **you** with no right to make a claim and may mean that **you** travel with insufficient cover.

Exclusions Related to the Health of Others not insured on this policy

You will not be covered for any claims directly or indirectly related to the health of:

- Someone booked to travel with **you**
- Someone **you** were going to stay with on **your** trip
- An **immediate relative**
- A **close business associate**

if, at the time **your** policy was issued, or booking **your** trip (whichever is later), **you** knew any of the following:

- They had a **medical condition** which could reasonably be expected to affect **your** travel plans.
- A **medical practitioner** had diagnosed them with a terminal condition, or their **medical condition** was likely to worsen in the next 12 months.

Medical Screening Endorsements

When **we** agree to provide coverage following a medical screening, **we** will issue a **medical screening endorsement**. This endorsement will detail the premium **you** have agreed to pay to include the specified **medical condition(s)** under this policy and the period for which the endorsement is applicable. Please note that the **medical screening endorsement** will form part of this contract along with the Validation Certificate.

Completing a medical screening means **your** travel insurance may cover the cost of any emergency medical treatment required due to a change or deterioration in **your medical condition**. However, it does not cover the cost of medication or treatment that needs to be continued during **your** trip to manage any medical condition **you** screened for, such as the costs of inhalers for asthma or regular check-ups for diabetes.

Change in Health

If any of the health issues mentioned in the Health Declaration happen between the time **your** policy starts and before **your** trip begins (including before booking any trip under a Multi Trip Policy), **you** need to call The True Traveller at **+44 20 3822 0200** (from overseas) or **020 3822 0200** (within UK).

Tell **us** about anything that might lead to a claim, especially regarding **your** health. **We** won't cover health problems listed in the Health Declaration unless **you** tell **us**, and **we** agree in writing.

We will then decide if we can cover **you** under the same terms. We might ask **you** to pay more, add special conditions, or exclude coverage for that health issue. If **we** can't cover you, or if **you** don't want to pay extra, **you** can cancel your trip and make a claim if **you've** already booked and paid for it. Alternatively, **you** can cancel **your** policy and get a partial refund.

We may refuse to extend the policy if the trip could harm **your** health.

If **you** don't contact us, **you** might not be able to make a claim and could travel with insufficient cover.

Pregnancy and Childbirth Exclusions

This policy does not cover normal costs or losses associated with pregnancy (including multiple pregnancies) or childbirth. This includes, but is not limited to, delivery by caesarean section or any other medically or surgically assisted delivery that does not cause medical complications. However, the policy does cover complications arising from pregnancy due to accidental bodily injury or unexpected illness occurring during **your** trip, excluding costs incurred during the period from 12 weeks before to 12 weeks after the estimated date of delivery.

This is not a Private Medical Health Insurance Policy

We will pay for private treatment only if there is no appropriate reciprocal health agreement in existence and no public service available and **we** reserve the right to organise a transfer from a private medical facility to a public medical facility where appropriate.

In the event of medical treatment becoming necessary for which reimbursement will be sought, **we** or **our** representatives will require unrestricted access to all **your** medical records and information.

SECTION A. MEDICAL & REPATRIATION EXPENSES

For emergencies abroad call us first

For medical emergencies: if **you** are taken to hospital as an emergency by ambulance or other emergency service, **you** will need to make sure that **you** or a travelling companion call **us** within 48 hours. The only exception to this 48-hour notification requirement is if there are extreme circumstances which prevent such notification within 48 hours, in which case **we** should be contacted as soon as practically possible.

For non-urgent medical help: if **you** need to see a doctor or need to go to Accident & Emergency or a clinic, call **us** first. This way **we** may be able to help **you** locate the safest and most appropriate source of treatment.

In either case **you** may reverse the call charges or ask to be called back.

If **your** outpatient treatment is likely to cost more than £500 or **you** are admitted into hospital abroad, someone must call the 24-hour Emergency Medical Assistance Service helpline as soon as possible. If **you** have to cut short **your** trip under Section A (Medical & Repatriation Expenses) or Section E (Curtailed), the 24-hour Emergency Medical Assistance Service must authorise this in advance. Failure to contact the 24-hour Emergency Medical Assistance Service may mean that **we** are not able to provide cover, or **we** may reduce the amount **we** pay for your medical treatment, or additional travel expenses.

Where **you** have a valid claim, and **your** medical expenses exceed £500 **we** will look to settle the bill directly with the medical provider where possible.

For non-medical emergencies: if something happens during **your** trip, and **you** need **our** help, please contact **us**. If **we** identify that the event causing the emergency is not covered by this policy, **we** will still try to assist **you** in resolving the problem, but it would be at **your** own cost.

The 24-hour Emergency Assistance Service telephone number is: **+44 20 7985 7446** (from overseas) or **1 800 986 6380** (within USA/Canada). If **you** need Helicopter Rescue in Nepal, **you** must call **+44 20 3769 7851**.

PLEASE NOTE: This is a travel insurance policy and not private medical insurance.

NOTE: A UK Global Health Insurance Card (GHIC) gives **you** the right to access state-provided healthcare during a temporary stay in the European Union (EU), Switzerland, and some other countries. This may entitle **you** to free or reduced cost healthcare in those countries. **You** can use a GHIC to get "necessary healthcare" from state services when **you** are visiting one of those countries. Necessary healthcare means healthcare, which becomes medically necessary during **your** stay, and **you** cannot reasonably wait until **you** are back in the UK to get it. To obtain a card you can apply online at <https://services.nhsbsa.nhs.uk/cra/start>. **You** may also be covered for necessary healthcare when **you** visit some other countries. Find out more at the www.gov.uk/foreign-travel-advice foreign travel advice pages. If **you** are travelling to Australia and require medical treatment, **you** must enrol with Medicare.

In the event of medical treatment becoming necessary for which reimbursement will be sought, **we** or **our** representatives will require unrestricted access to all **your** medical records and information.

Repatriation by specially equipped air ambulance will be available where medically necessary.
